

Photography / Video Policy

Stranraer Water Sports Association (hereby abbreviated to SWSA) recognises the need to ensure the safety and welfare of children and vulnerable adults taking part in water sport's activities.

In accordance with the SWSA Safeguarding Policy we will not arrange for photographs, video or other images to be taken without the consent of the parents/guardians/carers of children or vulnerable adults.

SWSA follow the guidance for the use of images, a copy of which is available from the SWSA Safeguarding Officer. A copy of the Safeguarding Policy can be found on the associations website: <https://stranraerwatersports.com/policies>

SWSA will take all steps to ensure that images are used solely for the purposes for which they are intended. If you become aware that images are being used inappropriately you should inform the SWSA Safeguarding Officer or a member of the committee. Any unnecessary or retained imagery will be disposed of in accordance with the DPA (1998).

All participants, over the age of 8 years, will be requested to consent to the use of photo and/or video images taken when taking part in SWSA activities. For any participant under the age of 18 years, an appropriate adult, carer or guardian, is required to give consent.

Members of SWSA will have completed the necessary consent forms for use of photo and/or video images at the time of their membership application. For any participant under the age of 18 years, an appropriate adult, carer or guardian, is required to give consent.

If you wish to withdraw your consent or give consent at any time, please contact a staff member of SWSA, by submitting the request in writing to be send to: info@stranraerwatersports.com
